

**We are recruiting a project manager who will oversee the repair/conversion or maintenance of the vessels at the yard in Landskrona.**

Main responsibilities for the project manager are to plan, organize and follow up with focus on costs, time and quality. The manager is also fully responsible for the commercial aspects of the project. The project group is led by the project manager, other members in the group are foremen for each trade and finance controller. The foremen plan and lead the jobs and report to project manager daily. The controllers are supporting all members in the group by monitoring the cost.

As a project manager you need to adapt to each project's requirements, be updated of what is going on in the project – the technical aspects as well as the financial ones. It is of great importance to keep the customer updated of the progress of the project, often requested on daily basis from customer. The projects are normally scheduled for one to two weeks at the yard.

Qualifications for project manager:

- At least 5 years of experience in running customer projects with 5-10 MSEK turnover.
- Experience from ship repair
- Marine Engineer / Civil Engineer with mechanical engineering / Naval Architect
- Very good Swedish and English in verbal and writing
- Good computer experience and familiar user of Outlook, Word, Excel and Microsoft Project
- B-driving license
- Cad knowledge is desirable
- Swedish is desirable

Characteristics:

- Adaptative
- Result Oriented / competitive
- Social and good ability to make contacts
- Good administrator
- Humble

We offer an exciting and developing role at our shipyard in Landskrona.

If you are driven by reaching set goals, have a business mind that makes you reach the expected margin on the projects, likes to be in place in production - then this is the job for you!

You will work in an international environment and meet interesting people. Although everyone has their strict roles, the feeling is that we work in an informal organization. We assisted where needed.

Full time.

We look forward to receiving your application. We work with continuous selection.

Send your application not later than 2022-02-28 to: [ansokan@oddab.eu](mailto:ansokan@oddab.eu), write project manager as subject
